

Hello!

I'm **Audie Norris**, basketball pivot. I was born on December 18, 1960 in Jackson, Mississippi (USA). I am called Atomic Dog, for my physical strength and technical quality playing basketball.

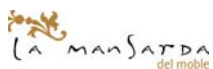

I played for six seasons with FC Barcelona, where I won three League titles, two King's cups, one Catalan League Cup and one Prince of Asturias cup. I also played for three seasons with the Portland Trail Blazers, two more at Benneton Treviso in Italy and the one with the greek Nikas Peristeri.

I invite you to meet my basketball campus. It is a good opportunity to enjoy what we like most -basketball- while we meet new friends and improve the English language. I look forward to Meeting you!
